QUI INDICHE LE CEMN

SERVITE COALITION FOR JUSTICE

April 13, 1993

We would guess that by now you have received your letter from Sr. Gina Casumaro, SMR with directions to the Campus of Seminaire Saint-Augustin and Pavillion St-Philippe.

Congratulations!

At a recent meeting of the SERVITE COALITION FOR JUSTICE, the group asked how we American Servites might make some impact on the UNIFAS meeting. To that end we have written to Father Hubert Moons asking if there will be any provision for national group meetings. If there were such a meeting, might we suggest the following as a possible agenda?

- 1) *Reflection of the purpose of the Conference:
How apply to our ministries?*
- 2) *Might we develop some bonding in an international cause?*
- 3) *Do we share any common issues?*
- 4) *What have we learned from other cultures?*

We have also asked if there would be time to show Fr. John Pawlikowski's video on "Putting Mary Back into History." [Copies of his presentation with the four respondents are available for \$35.00.]

Finally, as a little bit of whimsy, we would like to order some sweatshirts with the SERVITE COALITION FOR JUSTICE logo on it.

"Mary, Woman of Peace and Justice"

Mary turns her back on the values of injustice and war and focuses her attention on renewing God's creation according to the values of her Son, Jesus the Christ.

You may use the form at the bottom to order yours today. They are \$10.00 each (U.S. funds). Ladysmith Servites may pick theirs up at the June 16th community meeting. The others will be delivered to Quebec.
