

## Revelation

The wandering eye  
catches  
the carnelian radiance  
of the ruby-red carnation  
vased in white luster  
and gazes  
on its solitary splendor.

So too  
the eye of the spirit  
cased in mortal flesh  
perceives  
the grandeur of God  
incarnated  
in terrestrial perfection.

Cherish the carnation  
exult in spirit-beauty  
and extol  
the extravagant gifts  
illuminating  
the indwelling Creator.
