

Seeking

Journey of the Soul by Doris Klein, CSA. Used with permission.

Lord, I seek you
through the turmoil of my days.

Lord, I see you
through a glass, darkly.

Lord, I hear you
through clamoring distractions.

Lord, I feel you
through your creation around me.

Lord, I long for you
through the emptiness in my heart.

Lord, I pray
soothe the restlessness in my days.

Lord, I pray
clear my eyes to see you as you are.

Lord, I pray
silence my jabbering to hear your voice.

Lord, I pray
let me feel your presence within me.

Lord, I pray
satisfy my heart's longing
with your love.
